Experience

Edunet Foundation (in collaboration with Microsoft & SAP)
AI: Transformative Learning with TechSaksham
January 2025 - March 2025 (3 months)

During my internship, I contributed to the AI: Transformative Learning with TechSaksham program, a joint CSR initiative of Microsoft and SAP, implemented by Edunet Foundation. This program aimed at leveraging AI to enhance learning experiences. I gained insights into AI applications in education, participated in project development, and contributed to the implementation of AI-driven solutions. This internship helped me understand the intersection of AI technology and corporate social responsibility initiatives.
